

Fantasy Football 2014 Rules

1. This will be an 8 person league. The winner will get \$120 and a trophy, also they will pick the name for the loser for the first 3 weeks next year, second place will get \$40, and last place (winner of the toilet bowl) will be given extra punishment and will be named by the winner.
2. The cost to join The League this year will be \$30 dollars.
3. Each team will be allowed 2 keepers; each keeper will take up the draft spot that they were drafted the previous year. If this player is chosen as the keeper for 2 straight years he will take up half the draft spot of the previous year
 - a. Ex. Used the 8th pick the first year, next year they take up the 4th pick.
4. The draft order will be determined by a madden tournament, first place gets first pick, second place gets second pick etc.
5. The order of the first two round of the draft will stay the same, not until the 3rd round will the draft order reverse and every round after that round will alternate.
6. There will be one less bench player. Also the flex position will have a RB/W/TE.
7. A missed extra point will be -50
8. One week during the season will be rivalry week, in which everybody will play their biggest rival. Your rival will be able to set your roster and you will be able to set their roster (all starting positions must be filled). Also if your roster is not set exactly as they tell you, an automatic loss will be given.
9. Every week there will be a dollar prize for the person who wins the random week challenge.
10. A trade deadline will be put to prevent trading when a team is out of the playoffs
11. Jobs:
 - Brock – Commissioner
 - Luke – Story Guy
 - Krep – Rule Enforcer
 - Shatz – Randomizer
 - Divey – Trophy Guy
 - Jama – Fantasy Playoffs Guy
 - Chris - New
 - Mancz – New
12. In the playoffs a 3 point bonus will be given to the team with a higher seed, this will be just like the playoffs home field advantage in real life. This does not apply in the Super Bowl.

*Sign your name at the bottom and return to league commissioner with required amount of money
