

# Fantasy Football 2016 Rules

---

1. This will be a 10 person league. The winner will get \$210 and a trophy, also they will pick the name for the loser for the first 3 weeks next year, second place will get \$60, third place gets \$30, and last place (winner of the toilet bowl) will be given extra punishment and will be named by the winner.
2. The cost to join is \$30 dollars.
3. **Each team will be allowed 1 keeper**; the keeper will take up the draft spot that they were drafted the previous year. If this player is chosen as the keeper for 2 straight years he will take up half the draft spot of the previous year
  - a. Ex. Used the 8<sup>th</sup> pick the first year, next year they take up the 4<sup>th</sup> pick.
4. **The draft order will be determined by a madden tournament, first place gets first pick, second place gets second pick etc.**
5. **There will be one less bench player. Also the flex position will have a RB/W/TE.**
6. **One week during the season will be rivalry week, in which everybody will play their biggest rival. Your rival will be able to set your roster and you will be able to set their roster (all starting positions must be filled). Also if your roster is not set exactly as they tell you, an automatic loss will be given.**
7. In the playoffs (consolation bracket included) a 3 point bonus will be given to the team with a higher seed, this will be just like the playoffs home field advantage in real life. This does not apply in the Super Bowl.
8. **Regular season champ picks who they play in the playoffs**
9. **5<sup>th</sup> place choices who they play in madden tournament**
10. **PPR**
